

2022 TEAMSTERS LOCAL UNION NO. 731 SCHOLARSHIP PROGRAM SPECIAL NEEDS APPLICATION

The Teamsters Local Union No. 731 Scholarship Program, established in 2007 by the Local Union's Executive Board and Fund Trustees, provides scholarships to high school seniors planning to attend college, university, community college or trade school, and current college attendees with at least (1) full academic year remaining prior to graduation.

The Trustees delegated authority, in 2017, to the Selection Committee to award Special Needs Scholarship. The program was expanded for children or grandchildren who need special consideration, as they may not otherwise be awarded a scholarship for educational purpose.

The amount, number and duration of any Special Needs Scholarships will be determined by the Selection Committee at their sole discretion. The Fund will pay up to a maximum total of \$30,000.00 toward bona fide education-related expenses for the individual or individuals who may be awarded a Special Needs Scholarship. The Selection Committee has the discretion to award one (1) Special Needs Scholarship up to a maximum total of \$30,000.00 or two (2) or more Special Needs Scholarships (e.g., two \$15,000.00 awards, three \$10,000.00, etc.) provided that the maximum total does not exceed \$30,000.00. The education-related expenses are not limited to tuition, books and laboratory fees and may include expenses for any item needed by the student in connection with his or her education.

The Selection Committee may evaluate the following factors in awarding a Special Needs Scholarship:

- Extent of disability
- Character
- Demonstrated motivation to overcome great odds

All eligibility determinations will be made in a reasonable and uniform fashion and will include judgment from experience in evaluating the needs of the applicants, the best use of limited resources and the proper weight to be provided to the Special Needs Scholarship consideration factors. The Selection Committee may consider all facts.

Applicants must comply with the following eligibility and application criteria.

Each applicant must:

1. Be a special needs student who is a dependent child or grandchild of an active IBT Local Union No. 731 member in good standing, that is a participant in one of the following health plans on the date application is submitted to the Fund:

The transcript must include grades through the last completed semester.
